
BBQ BOOKING PROCEDURES

In order to book the barbecue, all Hugh Garner Housing Co-op members must fill out a booking form on the reverse, prior to using the barbecue. The simple procedures to follow are outlined below:

STEP I

Reserve your barbecuing time with the office. If needed after office hours, you may call On-Call at 416-726-7961 to book a time. Please note that you must be trained prior to booking. On-Call will have access to a list of all that have been trained.

BBQ times are from 8am to 11pm. Please note that booking times are no longer than 2 hour periods.

STEP II

Call the office or On-Call at time of booking, and meet up on the 8th floor east exit door

STEP III

Call the office or On-Call once you have finished with the bbq and it is turned off and cleaned thoroughly. Wire brushes to scrap the grill are left underneath the bbq. Please make sure all grease and food is removed.

A few things to remember when using the gas bbq:

- Do not overload the bbq
- Do not spray water on the grill
- Be mindful, do not waste the gas
- Allow the bbq to cool before replacing the cover on it
- Make sure the area around the bbq is left clean
- **THE BBQ IS SENSITIVE TO WIND CONDITIONS AND THE PILOT LIGHT MIGHT NOT LIGHT PROPERLY**
