**To: All Members**  
**From: Ashley Winders, Co-ordinator**  
**Date: Monday July 30<sup>th</sup> 2018**

We have just completed week 21 of 37. Pending any schedule changes, below are some updates regarding what to expect over the next 2 weeks:

### **Week 22 – Monday July 30<sup>th</sup> – Friday August 3<sup>rd</sup>**

Demolition and removal will continue on the south-east side. Contractors will continue to pour curbs on the south-west side. Pending rain, Landscapers will begin work on the North-west side. Hose bib work will continue on the west side.

### **Week 23 – Tuesday August 7<sup>th</sup> – Friday August 10<sup>th</sup>**

Landscapers will begin/continue (pending weather) work on the north-west side. Contractors will continue to pour curbs on the south-west side and possibly begin to backfill.

### **Change in Large Item Pick-Up Location**

Because the east side is being ripped up, large item garbage will now be picked up in the small square concrete area attached to the south pad. \*\*If you need clarification on this, please ask the Office.

### **Holiday Weekend**

No construction will take place on Monday August 6<sup>th</sup> due to the civic holiday.

### **Change in Construction Schedule**

- In the last memo that was sent out, we said that the *west side* of the building will be complete by August 20<sup>th</sup> (except for the lighting, as this is a new addition). *This has now been pushed back to Friday September 7<sup>th</sup>.*
- Also, in the last memo that was sent out, we said that the work on the *North-East side* will start on Monday August 20<sup>th</sup> and finished by November 16<sup>th</sup>, 2018. *The start date has been pushed back to Tuesday September 4<sup>th</sup>*
