

To Members of Hugh Garner Co-op

The Toronto Environmental Alliance (TEA) is going to work with our building to reduce waste. **We are asking all units in our building to take a 5-10 minute survey about household waste practices.** This survey will be used to help develop a plan for our building to reduce waste, increase recycling and increase composting.

**Gift Card Draw.** When you complete the survey by January 17, you can also enter a random draw to win a \$50 gift card.

Here are the steps to participate:

- Please complete 1 survey **per unit by 11am on Friday, January 17**
- ONLINE survey available at [www.torontoenvironment.org/Building\\_Survey](http://www.torontoenvironment.org/Building_Survey)
- Paper surveys available at the building office
- Complete the draw slip to enter a Draw for a **\$50 gift card**
- **Complete online survey or return completed paper surveys with draw entry to the Office in a sealed envelope**

**The survey is anonymous – we will not link your name or unit # to your survey answers.** If one person in your household does most of the work to sort and take out the recycling and organics, please have them complete the survey.

Co-operatively,

Hugh Garner staff and the Green Committee
